April's Cleaning provides a safe and clean space at home or at work with a deep-cleaning from our highly trained team. April's Cleaning Services offers deep cleaning and disinfecting services to home and business owners in and around Apex. Don't let Covid-19 slow you down, and let us help you take the right precautions to keep your space virus-free.

We offer an abundance of options for residential cleaning of all types throughout the Triangle. In fact, we customize our services to your needs – you determine the frequency of visits and amount of cleaning we do. Our team takes it from there, providing crew managers, detailed checklists, trained and experience home cleaning professionals, and a commitment to excellence.
