

## Pomona Prefect

Pomona Prefect is a small, fast charter boat for hire for fishing and workboat charter for research and commercial and sports activities in Orkney. Built for the environment Agency as a patrol and sampling boat and converted to a hand scallop diving fishing boat, we can ferry people and their kit to wherever they want to go on the waters around Orkney.

**Outdoors/Adventure** – An affordable, exciting Boat hire for charter, bird watching and water taxi. Can be used for fishing, scuba diving, snorkelling, sea research diving, and small parties catered for.

**Sustainable** – Pomona Prefect Ltd, run Sea search activities, scuba and snorkel activities related to educational and environmental surveys - contributing to marine conservation. We dive wrecks, monitor and report seagrass, a recognised part of Scotland's Blue Plan for sustainable Seas around the country and a carbon sink. We are part of the Open Seas project and are contributing to efforts to introduce more marine protected areas. We help Conservation Scotland in their surveys of their reserves.

**Wellness** – We take guests on fishing trips for wellness and meditative purposes.

**Creative** - We are open to creative activities such as photography, bird watching, Scuba diving, Seafaris or other engagement with the natural marine environment and can provide fishing rods.

### Group sizes catered for

MECAL MCA coded for parties of 5 people plus skipper

### Cancellation policy

Available on request

### Parking available

Cars  
Minibus  
Small Coach

### Commissions or group discount rate
