Message from the CHANCELLOR

The Annual Report 2019-20 introduces the progress and achievements of the University during the past academic year. CHRIST (Deemed to be University) stride towards excellence. I appreciate the efforts of the University administration, faculty, staff, students, alumni, parents and well-wishers who have contributed towards the vision and mission of the University.

This year Dr Fr Abraham V M, took over the stewardship of the Institution from Dr Fr Thomas C Mathew. He has set research and improved accreditation and ranking as his priorities, while continuing the existing initiatives and policies. We welcome you Fr Abraham, and look forward to your leadership to take the University to greater heights.

I would also like to take this opportunity to thank Dr Fr Thomas C Mathew for his services to this institution as a visionary leader. His dedicated effort towards making CHRIST (Deemed to be University) what it is today will always be remembered.

May we revisit the promises that we made to our students, stakeholders, industry partners and staff and continue to instill hope and be committed towards our commitment towards service and be able to fulfil them in the years to come.

Dr Fr Paul Achandy
Chancellor

Message from the VICE CHANCELLOR

The academic year 2019-20 has been a significant year for CHRIST (Deemed to be University) because it marked 50 years of CHRIST as an institution. It has been a blessed time for us to look back and reflect on how far we have come and to look forward to the amazing possibilities ahead of us as a University.

CHRIST has been a harbinger of humane innovations. In the past year, we have witnessed the unfolding of an educational philosophy that focused on hope and possibilities. This is because of the numerous innovations, outreach activities and the meaningful collaborative connections that were built with the world. We have taken bold steps and we have inched closer towards our strategic vision.

The Annual Report 2019-20 provides a glimpse of the progress, acknowledgements, evaluations and futuristic strategy of the University. May the past inspire us, teach us and motivate us to face the brave new world with commitment and integrity.

I would like to thank the former Vice Chancellor, Dr Fr Thomas C Mathew, for his remarkable leadership and contributions to this institution. My hearty congratulations to everyone who has been a part of this journey and I thank the Centre for Publications team for the successful compilation of this report.

Dr Fr Abraham V M
Vice Chancellor

1. Message from the REGISTRAR

The Academic Year 2019-20 has been a momentous year in the life of CHRIST (Deemed to be University) as it completes its 50 golden years of existence. The institution over these years has grown from a single building as Christ College to a multi campus CHRIST (Deemed to be University) with campuses beyond the state of Karnataka, where it was born. Having completed ten years as a University, the uniqueness and escalation in curriculum, teaching-learning-evolution, societal and scholastic outreach, extension, student support, placements, infrastructure and international collaborations, and faculty and staff development along with other has made CHRIST a household name around the globe.

Passing the Baton

As you are aware, Dr Fr Thomas C Mathew, after leading the Institution as its Head for the last 15 years, retired from his position as the Vice Chancellor on 28 February 2019. I would like to take this occasion to remember and thank Dr Fr Thomas C Mathew for his remarkable leadership and contribution to the Institution over the last 33 years in making this, among many other firsts, the first Catholic University in India and a model University.

Dr Fr Abraham V M, took over the stewardship of the Institution from Fr Mathew on the closing hours of 28 February 2019. He has set research and improved accreditation and ranking as his priorities, while continuing the existing initiatives and policies.

We remain grateful to the CMI Congregation for the gift of Dr Fr Thomas C Mathew and Dr Fr Abraham V M to this Institution.

Christite Graduate Attributes: This academic year, in keeping with the Vision and Mission of the University, the 'Christite Graduate Attributes' were formulated in the areas of Academic Excellence, Professional Excellence, Personality, Leadership, Communication and Social Sensitivity. The University strives to enable students to imbibe these attributes through academic, research, co-curricular, extra-curricular and support services offered by special centres.

Academic Programmes: Academic programmes of the University were offered under the Deaneries of Science, Humanities and Social Sciences, Commerce and Management, Faculty of Engineering, Institute of Management, School of Law, School of Education, School of Business Studies and Social Sciences and School of Architecture.

During the year, The University offered a total of 99 programmes comprising of 51 Bachelor's and 48 Masters's programmes.

Student Enrollment: A total of 182087 applications were received for both Bachelors and Maters programmes, out of which a total of 9316 students were admitted.

Promotion of Interdisciplinary Programmes: The University promotes interdisciplinary programmes at UG, PG and Research levels. At the UG level, in BA and BSc the University offers three major programmes. Further, through mandatory non-core open electives students belonging to specific disciplines get opportunities to study subjects of other disciplines. The Honours programmes leading to BA and BSc degrees also have allied courses in two other disciplines. There are also programmes that cut across Social Sciences and Sciences such as BSc (Economics, Mathematics, and Statistics) and MSc (Actuarial Science). In the MPhil and PhD programmes, students are encouraged to choose interdisciplinary topics.

Faculty Outreach: The faculty published 909 research articles in various journals notified on UGC Website. 258 Books and chapters in edited volumes/ books and papers of national and international conference proceedings were published during the year. Further, 27 patents were also published.

Apart from the above research, publications and academic outreach, the faculty members attended and updated themselves through Orientation Programmes, Refresher and Quality Improvement Programmes and in-house and out-bound Faculty Development Programmes. The University hosted two Fulbright fellows and a University Grants Commission Emeritus Professor at the University during the last academic year.

Research: The Research Committee encourages and promotes research activities on the campus. The University provides support and resources to apply for externally funded research projects, as well as promoting early-career faculty to pursue a research career through Seed Money Scheme. The seed money has been provided to initiate quality project proposals and publications. Apart from these, research initiatives at the university were also funded by Department of Science Technology, Ministry of Mines, Indian Council for Social Science Research, Government of Karnataka, United Board for Christian Higher Education in Asia, Vikram Sarabhai Space Centre ISRO, Department of Science and Technology-Science and Engineering

Research Board, UGC-DAE Consortium for Scientific Research, Indo-US 21 Century Knowledge Initiative, and United Way Bengaluru.

The University has the responsibility of shaping future researchers by making research training an integral part of the curriculum. The rigour of training and exposure to research skills across UG, PG, and PhD programmes is noteworthy. Some of the curricular aspects that ensure hands-on research training and experience of students are:

All UG, PG, and PhD programmes include research projects, research methodology courses, and dissertations. Students have undertaken projects in reputed research laboratories/institutes like Indian Institute of Science (IISc), National Centre for Biological Research (NCBS), Gandhi Krishi Vigyan Kendra (GKVK), Institute for Ayurveda and Integrative Medicine (IAIM), and Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR).

Departments provide coaching in competitive examinations helping the students clear Joint CSIR UGC Test for JRF and LS (NET) awards in order to pursue their research further. The Research Development Cells of the deaneries grant Minor Research Projects to faculty members who are in the initial phase of their academic career.

Extension: Through its Centre for Social Action (CSA), the University sponsored the education of more than 750 students in the slums and villages in and around Bengaluru during the last academic year. The Child Focussed Community Development (CFCD) projects and Self Help Group Approach (SHS) projects in Karnataka, Maharashtra, Kerala, and Chhattisgarh are going on well and continue to benefit over 10,000 families in 124 villages and five urban slums. 75 children in Mysore and Koppa were supported through English Access Micro scholarship programme. About 150 children in the urban slums were supported with academic inputs through an online platform.

In tandem with the nation's fight against COVID-19, the University through its Centre for Social Action (CSA) carried out various support programmes to the affected communities in the project locations of CSA. Survival kits were distributed to 7016 families, protective kits were provided to 5870 families, 955 adolescent girls and women were provided with disposable menstrual products, and 345 youth and women were supported with skill training. CSA deployed 64 field facilitators in the rural and urban projects to extend support to local self-government systems like BBMP, PHCs and panchayats by creating awareness about COVID-19 and supporting the relief work activities. Besides this 440 children and 230 women in the rural project were provided with psycho-social counselling. The University also contributed Rs 5,00,000/- to the Chief Minister's Relief fund, Government of Karnataka towards COVID-19 and spent over Rs 27,00,000 for COVID-19 relief activities in Bangalore.

Mahatma Gandhi National Council for Rural Education (MGNCRE), Ministry of Education, Govt of India, has certified CHRIST (Deemed to be University) recognising as a Social Entrepreneurship Swachhata and Rural Engagement (SES & REC) institution. University is working in five sectors in the campus and adopted villages

under this programme to work in the area of Sanitation and Hygiene, Waste Management, Water Management, Energy management and Greenery.

The work with the six villages in Hoskote Taluk near Bangalore, adopted by the University through the Department of Sociology and Social Work under the Unnat Bharat Abhiyan programme of the Government of India, has been progressing well. The University departments have continued their work at the nine colleges adopted by them under Kuvempu University and one college in Kodagu districts of Karnataka.

The University has adopted 10 government primary schools under the School Adoption Programme by the Education Department of Government of Karnataka: six in Hoskote Taluk Bangalore Rural District, four in urban areas-two each in LR Nagar and Janakiram Layout.

Educating and learning through the challenges of the COVID-19 Pandemic

As you are aware the fag-end of the previous academic year and this academic year 2020-21 came with unprecedented challenges. After the first day of the End Semester theory Examination on 14 March 2020, we had to declare the postponement of examinations due to the on setting of the COVID-19 Pandemic in Bangalore. We also declared vacation for faculty from 15 March through 14 April 2020. From 15 April till 15 May 2020 we conducted a Faculty Development Programme followed by a course in online-teaching-learning for all the faculty under the leadership of Dr Tony Sam George, Dean, Social Sciences and the Academic Staff College.

We began the classes on a trial basis for Computer Science programmes from 02 May 2020 and began the classes for the academic year 2020-21 for senior semester from 18 May 2020. For final year students of 2019-20 we conducted the online examinations from 26 May 2020 and completed them in June 2020. The postponed Examination of the previous semesters was conducted in July 2020. About 95% of the students took their examinations online. The University subsequently gave opportunity for the students who could not write online examinations, to take examinations on campus on a first attempt basis.

The Mid Semester and End Semester Examinations for the odd semester courses of this academic year were also conducted online. In the Mid Semester Examinations, the University did the assessment based on application based questions. For End semester the students were given the option to write the examination from any of the five campuses.

The practical classes were conducted for the science students in the months of November, December 2020 and January 2021. Performing Arts, Theatre Studies, and Western Classical Music classes began in January 2021 on campus. MBA classes began on 20 June 2020 and first year undergraduate and postgraduate classes from 01 March 2021 in hybrid mode. Training on hybrid teaching mode is being conducted for faculty of Bangalore Campuses this week under the leadership of Dr Tony Sam George and the Staff Development College.

In order to keep its academic work functional and support the students, in addition to the initiatives mentioned above, the University undertook the following:

1. Counselling and telephonic medical consultation support
2. Regular communication and periodic Youtube address by the Vice Chancellor to motivate and give confidence to the students
3. COVID-19 Grievance Redressal Cell
4. Free tablet and laptop distribution to needy students
5. Coursera courses free with certification
6. Webinars by Departments
7. New Tech platform deployment: CISCO WebEx, Microsoft Office 365 with Microsoft Team, Zoom

Centres and Offices

The Centres and the Offices of the University support the growth and activities of the departments, students, and faculty and reach out with our expertise to institutions and society around.

The Institution has been committed to the promotion of languages since its very inception in 1969. The University teaches Kannada, Hindi, Tamil, Sanskrit and French in regular curricula and Spanish, Russian, German, Chinese, and Korean as open electives. In order to promote the learning of local and global languages the University has established the Centre of Indian and Foreign Languages during the academic year 2017-18. The Centre organises courses leading to international and institutional certifications. Our dream is that this initiative will help the students gain exposure to various global cultures as well as help them in International placement opportunities.

The establishment of the Inspire Incubation Centre by Centre for Digital Innovation, Credit-bearing Information Literacy Course by Centre for Advanced Research and Training (CART) and Centre for Academic and Professional Support (CAPS) are some of the other initiatives this year. Other Centres and Offices also make significant contributions towards the development of the University. Several seminars, programmes, training and other events were conducted by these Centres and Offices which enabled the enhancement of knowledge, skill and competency development among staff and students alike.

Alumni Day: 48th Annual Alumni Family Day was held on 26 January 2020. Over 2000 alumni attended the department chapter meetings and the General Alumni meeting. The Alumni Association felicitated two teaching and two administrative staff for their 25 years of service to the University namely, Dr Gangadhar S Kanalli - Department of Mathematics, Prof. Johnny Joseph - Controller of Examinations; and Mr Shivashankar T, Mr Suresh G from administration. The Association also honoured two distinguished alumni, Mr Madhukeshwar Desai, National Vice President Youth Wing, BJP - BA LLB Batch of 2011 and Ms Nicole Estelle Faria, Model & Actor, Christ Junior College, Batch of 2007.

MoUs Signed: The University has signed 26 MOUs with universities and research organisations for faculty and student exchange and collaborative research, to name a few: Sri Vidya Mandir Arts and Science College, Krishnagiri, Tamil Nadu, Harbin

Institute of Technology, Shenzhen, China, St Joseph's College of Engineering,
Mangalore, Karnataka
The Catholic University of America, USA

Professor Emeritus : The University conferred the title of Professor Emeritus to three of our distinguished faculty members for their outstanding academic and leadership contribution, Dr Krishnaswami P, Department of Languages, Prof. Chandrashekaran K A, Department of Physics and Electronics, and Dr Isaac C, Department of Chemistry on 3 January 2020. The University looks up to their continued mentorship and support for the growth of the faculty and university.

Convocation 2020: Since the physical convocation was not feasible due to the restrictions imposed by the Government, the twelfth convocation of the University was organized on Sunday, 08 November 2020, 10.30 am with Prof. Tyrone Pretorius, Rector and Vice Chancellor, the University of the Western Cape, South Africa as the Chief Guest. In the Virtual Convocation a total of 7150 undergraduate, postgraduate, MPhil and PhD students in Humanities, Social Sciences, Sciences, Commerce Management, Law, Education and Engineering were awarded their respective degrees.

Placements: During the academic year 2017-18 a total of 2041 were placed. The top recruiters included Ernst & Young, Deloitte, KPMG, and Wipro among others. The highest pay package was offered by Reckitt Benckiser-15 Lakhs for MBA, Vedanta Ltd-13 Lakhs for MA (Media and Communication Studies), Samsung R&D Institute-12 Lakhs for MBA and CISCO-12.71 Lakhs also for MBA.

Recognitions: The University academic programmes are consistently ranked among the top 10 in India Today-Nielsen, India Today-MDRA, The Week-Hansa, and Outlook rankings.

NIRF India Rankings 2020: In the National Institutional Ranking Framework (NIRF) India Rankings 2020, CHRIST (Deemed to be University) is ranked as follows: Law-20, Management 76-100 and University 151-200.

CHRIST has been ranked 401+ globally in the overall 2020 Times Higher Education (THE) University Impact Rankings 2020. In addition, our University has obtained the following positions in Sustainable Development Goals (SDG) global rankings by the Times Higher Education (THE): Clean water and sanitation 101-200, Quality Education 301-400, Gender Equality 201-300, Partnership for the Goals 401-600.

The University has been ranked Third among the India's best Private General Universities in the *India Today*-MDRA survey published in *India Today* 10 August 2020 issue. The *India Today*-MDRA Survey published in the 6 July 2020 issue of *India Today* has ranked the University No. 1 for BCA, 4 for BBA, 7 for Commerce, 6 for Social Work, 9 for Science, 8 for Arts and Mass Communication, and 12 for Law 11 for Hotel Management and 38 for engineering in India. Under the Emerging Colleges category Mass Communication and Social Work ranked one, Law Two and Engineering 13.

National Education Policy 2020: The University has studied the National Education Policy 2020 released on 29 July 2020. Most of the recommendations of the policy are already in practice at the University. Some of the recommendations the University will consider are based on Regulations and directions from the government such as choosing between, research-intensive and teaching-intensive university, four year undergraduate, one year masters. One of the key challenges the University considers is faculty development and development of non-teaching staff to equip them to the changes and challenges of higher education in India in the days to come, both due to the implications of the policy as well as the changing social and education scenario. The University is awaiting an NBA Assessment visit for Accreditation of its engineering programmes in the School of Engineering and Technology.

Accreditation Initiatives: The University has become a member of the Association to Advance Collegiate Schools of Business (AACSB) from September 2019. This has enabled the University to apply for AACSB accreditation for its management degree programmes such as BBA, BBA (Honours), BBA (Finance and International Business), BBA (Tourism and Travel Management), BHM, MBA, MBA (Executive), MPhil (Management), MPhil (Tourism), PhD (Tourism), PhD (Management)

Grant of NCC units to the Pune Lavasa and Delhi NCR Campuses:

The Delhi NCR Campus has been allotted 80 Senior Division (SD)/Senior Wing (SW) NCC cadet vacancies by the Uttar Pradesh Directorate and The Pune Lavasa Campus has been allotted 80 Senior Division (SD)/Senior Wing (SW) NCC cadet vacancies under the 36 Maharashtra Battalion NCC, Pune Group, Maharashtra Directorate. The University is also trying to get an NCC Naval Wing Unit at the Bangalore Campuses.

Other developments:

The University has established the Human Resource Development Centre based on UGC "Guidelines for Human Resource Development Centres", 06 September 2019. The Centre will comprise of the following units: a) Staff Development College (SDC) b) Centre for Education Beyond Curriculum (CEDBEC), c) Centre for Advanced Research Training (CART)

Conclusion: Innovation with sustainability has been the key for the growth of the University. Even in times of crisis like today, we are still able to march on keeping in view our Institutional Vision, Mission and Core Values. All of you, dear parents, have been our most crucial supporters and collaborators. We thank you for the wishes, prayers and support rendered to us in many ways to the growth of this Institution.

Dr Anil Joseph Pinto
Registrar

TESTING AND EVALUATION PROCESS

Bangalore Campuses

Testing and evaluation process at CHRIST (Deemed to be University) is committed to ensuring transparency and accuracy. The University conducts two kinds of evaluation for all regular programmes, viz CIA (Continuous Internal Assessment) and End semester examination (ESE). The CIA consists of two tests administered by course instructors and a mid semester examinations. The ESE was held for odd semester in October and even semester in May-June. The trimester programmes have their ESE in September, December and May. Question papers are generated through question bank software through Gaussian distribution 1:2:1 for each of the topics in the syllabi. The evaluation of MPhil is done by an internal and external evaluator along with guide, the PhD thesis are evaluated by two external, one from Karnataka and the other outside the state. This year the evaluation and tabulation process for the odd semester was during October 2019 and even semester was completed by 3rd week of July 2020.

SCHOOL OF ARTS AND HUMANITIES

ENGLISH STUDIES

The English Studies program has organised many events during the academic year 2019-20. The first year CEP and PSEng students performed and participated in One Act Play festival, 'Masquerades' in the month of July, 2017. The exercise was a component of internal assessment for the paper British Literature.

The English Studies students of second year BA organised an exhibition on American Literature in the month of August, 2017. The display stalls were based on the perspective and learning gained from their classroom learning. The final year students of the elective paper, 'Introduction to English Language Teaching' organised a lecture demonstration for the MA students on language teaching tools and materials.

The Literati is the English Students' association. With three clubs and over 100 members, The Literati organised a plethora of activities in the academic year 2017-18. The Literati's flagship event Jabberwocky- the annual department festival, with the theme of 'Literary Generations' was organised in the month of August 2017. Events ranging from Slam poetry and Air-crash to Cosplay and art events, saw participation of more than three colleges and over 200 students. The Literati was also proud to introduce Young Literat- the annual academic and non-academic essay writing competition. As an organisation of, for and by the English students, the Literati planned workshops that would enhance its members' and students' literary skills. It organised a Poetry Workshop, led by renowned spoken word poet Mr. Daniel Sukumar, open to all students in the campus. It also conducted a workshop on Micro-Fiction by Mr. Sudeep Pagedar. The Literati also conducted a gamut of departmental and intra-association activities like Symphonia, film screenings, book talks and creative writing competitions.

The students of MA in English with Communication Studies also organised a large array of academic events with the formal inauguration of the Scholars' Forum, an all-inclusive knowledge sharing space. Numerous guest lectures were organized for the students, covering wide ranging topics from an interdisciplinary perspective. An experiential learning tour to JanpathLoka (Karnataka Folk Art Museum) was arranged for second-year students to augment their learning of Folk art and culture. Guided NET sessions were organized by the department to help the students. A series of 25 eclectic sessions was organized as part of the Scholars' Forum for the odd

semester and even semester together. Knowledge sharing sessions by eminent scholars and practitioners on literature, cinema, yoga, Ayurveda, soft skills, theatre and fashion were organized together with student research presentations, extempore and other extracurricular activities. The Forum provided the much-needed space to explore and experiment with diverse fields. Many cultural events also found a special space in the academic calendar.

Christmas potluck, Alumni meet, fellowship games and Jabberwocky brought the festive mood with much enthusiasm from the students.

MA students organized the one-day annual seminar, Melangeon "Re-visiting the Panchabhuta: A Trope in Indian Literature(s) and Arts" on 8 February 2018. Dr N. Gopalakrishnan, Director, Indian Institute of Scientific Heritage delivered the keynote address while Yuva Kala Bharathi Dr Rekha Raju, Expert Panel Member - Mohiniyattam, Cultural Ministry, Government of India, addressed the gathering as Chief Guest. Eminent resource persons like Fr. Augustine Thottakara (Indian Philosophy), Mr. C. B. Ramkumar (Architecture and Sustainable living), Dr Krishnakumar (Ayurveda), Mr. Vasu Dixit (Music) and Ms. Aabha Hanjura (Sufi music) graced the occasion with their esteemed presence. Research presentations by students and scholars added to the nuanced reading of the idea of Panchabhuta.

The Department of English, CHRIST (Deemed to be) University, has been successfully running the MPhil in English Program since its inception. The year 2017 witnessed quite a few programs and workshops that were conducted for the students pursuing their MPhil with the department. A seminar course was conducted by Professor Don Adams, A Fulbright visiting professor from Florida State University, USA, in the month of January. The course was spread over a week and catered to the research interests of the students. This seminar course was followed by a workshop on APA. The two hour workshop included different components of APA, including writing and formatting papers, citations, plagiarism and ethics in research writing. The scholars also got a scope to interact with the resource person and clarify their doubts. Following the APA workshop, a workshop on MLA was conducted on the 16th of March 2018. The aim of the workshop was to familiarize the scholars with the MLA rules and regulations. The session was interactive, and the scholars benefited immensely from the session.

The Department of English, CHRIST (Deemed to be University), in collaboration with the Regional Institute of English, South India, organized a two-day national seminar on Macaulay to Globalization: Shifting Perspectives of English Classrooms in Indian Higher Education in the 21st Century on the 10 and 11 of November, 2017. The seminar saw the presences of eminent resource people from the fields of English Language

Education and Linguistics. There were two keynote addresses on the first day of the seminar. The first keynote address was delivered by Prof G.N. Devy followed by the second keynote address by Dr Amol Padwad. Dr Venkateshwaran, Ex Director, RIE; Dr Amritavalli, EFLU, Retd Dr Rajendra Chenny, Kuvempu University, Dr Padmini Baruah, Guaitil University and Dr Don Adams, Florida State University were other eminent personalities who were part of the various events of the seminar. One of the highlights of the seminar was a workshop conducted on exploratory action research by Dr Padmini Baruah. The paper presenters came from various parts of the country including Delhi and Goa. The issues and concerns discussed in the seminar helped to understand the various nuances of the position of English as a language in India.

PSYCHOLOGY

The Department of Psychology introduced several initiatives in the academic year 2017- 18 to further enhance academic standards, scholarship in education, create better learning environments, address community needs and contribute to the professional development of students and faculty. The undergraduate research conference provided every final year undergraduate student an opportunity to showcase their research work in the form of scientific poster presentations. Titled as Project Phoenix, the department enhanced its competency based curriculum by introducing learning management tools to grade and assess competencies in all psychology programmes across the University.

Postgraduate research programmes moved from dissertations to publications providing students the additional competency of publishing in peer reviewed journals. Joint Faculty and student projects were initiated through labs and projects. Relationships with international partners were enhanced with several research and academic projects with International universities. In collaboration with the University of Massachusetts, a scholarship for students contributing to community needs through practice and research was established.

STATISTICS

The Department had a very active year, filled with events. INFERENCE, the annual intercollegiate fest, MOMENTS, the intra-class fest, Science exhibition, National Statistics day and other events were held throughout the year.

INFERENCE was hosted on 20 August and attracted colleges all over Bangalore and close to 90 participants.

New events like Crickistics, Market Madness and Deal and No Deal were introduced this year. The popular events like Stat Files, Treasure Hunt, Potpourri, Task Force were also held. There were 8 events in all, open to other colleges and Mind Spark, an event exclusively for the first-year students of EMS and CMS students of CHRIST (Deemed to be University).

MOMENTS, with quiz, lecture contest etc. saw students participating enthusiastically. The certificates were distributed in a special function and the chief guest was Ms. Renuka, who is an entrepreneur and a fitness enthusiast. She spoke about women empowerment and called upon students to take part in competitions and use their time effectively.

The Department celebrated National Statistics day on June 29, 2019 and the chief guest was Dr. Srinivas Bhogle, Honorary Scientist, CSIR's Fourth Paradigm Institute who spoke about "The Fourth Paradigm" and highlighted the importance of statistics for data analytics and some important techniques of statistics, usage and applications were mentioned along with real life examples.

In addition, the faculty members presented research papers and attended many national and international conferences/ seminars. They were resource persons in many events. Students also took part in celebrations and fests in other colleges, notably at NSSO.

CONFLUENCE:

The Department of Professional Studies at Christ University conducts an induction program for the newly joined students who are the strength of our college and makes them comfortable and acquainted with the culture of this department. This is exclusively conducted by the second years for the first years. The core committee members were guided by Mr. Jossy Peter Muttath. The weeks of hard work and effort fruitfully shown in the successful program 'Confluence 2019'. The formal orientation towards the end facilitated the students to learn about their scholastic program, enlist themselves into add-on course and familiarise themselves with the rules and culture of the department and the university.

INSIGHT:

Insight 2019 is an Intra Department business fest organized by the second years for the newly joined first years that introduces them to the amazing world of Business Festing. The event has become well known over the past few years for its rigor and demanding tasks. Spreading over nine events and seventeen days, the event also aims at training new entrants for the department's festing team. The top twenty participants from the various events compete with each other for the Best Manager in the final rounds. Insight has been a tradition that the department has been following and each year, the second years uphold the same and pass it on to their juniors with many guiding hands from the third years. This year's event was sponsored by Zee Loft (title sponsor) and Bounce (beverage partner) who made it possible to hold this event on the scale and level, much higher than the past years.

DARPAN:

DARPAN is an intra-cultural fest of CHRIST (Deemed to be University), held in the beginning of every year to find hidden talents among the students. The events were held from 4th July, 2019 to 27th July, 2019. Darpan saw participation of over 350 students from DPS. Many students and teams won medals and prizes, with Team Professionals topping the University Theatre Leader Board, securing 5 places across 3 theatre events. In this academic year many students from our department represented the University Cultural Team. Our Department saw 35% of its representation in the theatre part of the University Cultural Team. There were also students representing our department in the University Cultural Team in different events such as dance, music and quiz.

FIRMA CONCLAVE:

Firma Conclave is the event organised by MSc Actuarial Sciences, Department of Professional Studies on 26th July, 2019 at Main Auditorium, Audi Block. The event was organized to mark the initial steps of association with the Institute and Faculty of Actuaries (IFoA) and the University. The University welcomed Mr. John Taylor,

President, IFoA and showcased the immense potential of the institute. The corporate connect marked the kick-off of the day with various eminent professionals from the field of Finance, Insurance, Risk Management and Actuaries. The panel discussion commenced by introducing the actuarial profession as the audience included undergraduates from other fields. On discussing the burgeoning growth of data analytics, the President said that IFoA is formulating a module dedicated to the field. The lively panel discussion was followed by a paper presentation on Microfinance by Ms. Anjani, Alumni, Visiting Faculty, MSc AS and Prof. Jeshwanth, Faculty, DPS

PARIKSHIT- Actuaries Day:

Following yester year's tradition the budding actuaries of the Department of Professional Studies, upheld the essence of the Actuaries Day by coordinating PARIKSHIT 2.0, held on 21st August, 2019, remembering the first actuary of India, Late Shri L.S. Vaidyanathan. A man of noble service, achievements and glory whose contribution to the profession have been extensive. Mr Karthikeyan Seshadri, Vice President, Swiss Re Global Business Services, Bangalore was the chief guest for the day. Other dignitaries being Prof. Biju Toms, Head of the Department of Professional Studies, Ms Sameena Tarannum, Coordinator of MSc Actuarial Science, Prof. Padmavathi Madhavan, Prof. Anand Ramachandran, Ms Anjani Chaudhary, Adjunct faculties and professionals from the discipline, were also a part of the event. Starting off with the significance of the title, 'Parikshit', the keynote speaker Mr Karthikeyan Seshadri enunciated about the role of actuaries in the real-life. The speech was followed by an interactive session with Prof. Padmavathi Madhavan, Prof. Anand Ramachandran and Ms Anjani Choudhary along with Mr Seshadri as the panellists. The dignitaries shared their experience of having been part of the profession in its early walks.

SAMARPAN – Teacher's Day:

As a Student Council initiative, Teachers' Day - Samarpan 2019 for all the faculty members of Department of Professional Studies was celebrated on 4 September, 2019 from 11am to 12noon in Main Auditorium at CHRIST (Deemed to be University). Prof. Johny Joseph, Controller of Examinations and Director of Student Council, Dr Jain Mathew, Dean of Commerce and Management Prof. Biju Toms, Head of Department of Professional Studies graced the occasion. All the teachers were welcomed with roses. The program started with the symbolic lighting of lamp followed by an invocation dance. On behalf of all students, Mr Chinappa shared a beautiful thanksgiving message to all teachers of their immense dedication in transforming the lives of students after which there was a melodious song performance. Prof. Johny Joseph and Prof. Biju Toms addressed the gathering about the significant role played by Teachers in shaping the lives of students. Then, there was a spectacular dance performance by Team Kanuvu and a group song performance. The program ended with a vote of thanks and college anthem. At the end of the program, all the Teachers were given a sapling, a coffee mug and a snack box as a token of gratitude.

The event was held in Sky View on 18th October 2019.

Future MUN:

Future MUN is an initiative of the Department of Professional Studies, created to simulate the vibrant global dynamics for over 3 days to serve as a platform to make a difference. It has grown ever since its inception in the year 2013. In the year 2015, Future MUN consisted of India’s best Executive Board, and this very fact had compelled young diplomats from Universities such as Kennesaw State University of USA, The London School of Economics (LSE), Yale NUS of Singapore to sign up as delegates. This year witnessed the 5th Edition of Future Mun which was held across 3 different days (21st, 22nd, 23rd of November 2019) which saw participation of 260 students from 23 institutions across the country. This is also the largest edition hosted yet. It involved 8 different committees where students discussed about various issues pertaining to the world and brought up interesting ideas on finding solutions to various issues. The 8 committees this year were: 1. United Nations General Assembly (Disarmament and International Security Committee) – UNGA DISEC 2. United Nations Security Council – UNSC 3. United Nations Economic and Social Council – ECOSOC 4. All India Political Parties Meet – AIPPM 5. Continuous Crisis Committee – CCC 6. International Atomic Energy Agency – IAEA 7. NITI Aayog 8. International Press – IP. A Global Village (Samagam) was held this year as a pre-promotional event as consulates from 6 different countries viz., Federal Republic of Germany, Kingdom of Ireland, Republic of France, Japan, United Kingdom, Maldives came together discussing about the different cultures, cuisines, education systems and other various things. The event had different stalls representing the countries of the United Nations, stalls from above mentioned foreign consulates, various educational partners and a stall of Make My Trip. A Gala Night was also organized this year on the 2nd Day of the event. With its huge success, the next edition expects

more participation from various institutions and make the event bigger. Christ Bannerghatta Campus have won the overall trophy for this edition of Future MUN.

DAKSH:

DAKSH, an initiative of the University Student Council, is an annual Career Guidance Fair conducted in the Christ (Deemed to be University), Main Campus. It focuses on the various opportunities made available to pre-university, undergraduate, and postgraduate students. DAKSH helps to guide students to acquire knowledge and make informed choices regarding their higher education and careers. A few highlights include - 50+ exciting and fun stalls that showcase the different courses, career options and the skills taught through each course. This year, the event was strengthened by the participation of the Campus France, French Embassy as well as the British Council, who extended their support through setting up a stall and conducting a Webinar for Christites, respectively. Various talks by eminent personalities were delivered on different career prospects to students from various programmes, like Major General Vikram Dogra's Talk on "Career in Defence", Zeba Kohli's Talk on "Entrepreneurship, Chocolates and the Art of Balance", Dr. N.H.Ravindranath's Talk on "Climate Change: How can the Youth tackle the Concerns and Consequences effectively?" and Devangana Mishra's Talk on "Following your Curiosity, Chasing Wonder"

Cognito:

Cognito is the flagship event organised by Department of Professional Studies. It is a national level inter-collegiate business fest, that provides participants with a life-like simulation of the corporate world. It helps participants develop team work and communication skills, as 4 participants per team battle it out for the coveted title of winners of Cognito. Attracting challenges from all over the country, the name Cognito has always been held in high regard and is easily considered one of the most challenging business fests of the country. With the tagline "Welcome to Reality", all its themes and concepts have been centred around current events, extracting their essence to develop challenging rounds Cognito Conclave is a platform where experts from numerous avenues come together, discuss and deliberate on issues of great significance in the world of business. The theme of this year was, "Sustainability in the corporate world." The panellists comprised of highly qualified dignitaries from various fields. The discussion was moderated by the Director of the Department, Prof. Biju Toms. The panellists included : 1) Mr. Ravi Khetan (CFO, Go Digit General Insurance) 2) Mr. Arun Bharadwaj (Director, Happiness Technology) 3) Mr. Pramod Kumar (Director, Guesture) 4) Mr. Amit Bajoria (Senior Vice President, Wipro). This year, Cognito was held on 16, 17, 18 December 2019 featuring 11 teams participating from across India. The theme of this year was 'Aviation'. The chief guest for this event was Mr. Tejasvi Surya(Member of Parliament) and Mr. T N Manoharan(Chairman, Canara Bank) was the guest of honour. The quiz event was conducted by Mr. Akshad, the quiz master who explained all the instructions to the participants.

Blossoms 2019-2020:

Blossoms 2019-2020 witnessed yet another season of events and competition which brings out the challenge and the best within every individual in the department. This year the theme for blossoms was 'village'. Blossoms Blossoms is an inter-department fest which pits the departments against each other for the overall trophy. The first stage of blossoms begins at the intra – deanery level, the winners of which goes ahead to perform for the Blossoms Finals. But the most awaited performance of them all was 'Dance Extravaganza', the jack of all cards. There were 8 teams performing from DPS. It was a two-day event and on day one Team Elementrix placed 2nd and Scene Contra productions bagged 2nd place on day two. Other event that adds up a lot to the overall score is the Theme Portrayal put up by each department's decor team which is in sync with the theme of the year and its judged on the basis of its aesthetics and the relevance of the same. The departments Art club- Alekh was incharge of this year's theme portrayal and placed 2nd in the overall university. The three days of fierce competition and the judging certainly establishes the intensity of the competition but this year the bar was raised much higher than ever.

YOUTH WEEK:

"Go ahead and take risks in life – If you win, you may lead but if you lose you may guide" Youth week was celebrated in the memory of Swami Vivekananda's 150th birth anniversary. Swami Vivekananda was a pioneer, visionary and an inspiration to the world alike. To this day, his values, morals and unrelenting eloquence, continue to influence the society and the youth in the most impactful and pious manner. In order to celebrate his birth anniversary, we had organised a plethora of interesting events. The event was organised by faculty co-ordinators and 2nd and 3rd year students. The events were as follows : TURN CO TURN COAT This is an interesting form of a debate in which you have to flip sides. The participants will be given a topic and some time to think and frame their points. Then the person has to start speaking for or against the topic. After a tap or a bang, the participants have to change the sides. The tapping may happen at regular intervals. This was conducted on January 16, 2020. There were 14 participants in this event. For the above event Dr. Jerlin Jose and Dr. Kiran were called as judges. On the basis of the evaluation criteria, Stacey from 4 BCom F&A secured the 1st place and Ansuman from 6 BCom F secured the second place. After the event, the judges gave feedback along with certain areas where the speakers could have improved. CREATIVE WRITING This is an art of sorts – the art of making things up. It This is an art of sorts – the art of making things up. It's a writing done in a way that is not academic or technical but still attracts an audience. Though the definition is loose, it can for the most part be considered any writing that is original and self-expressive. This may include – poetry, plays, movie and television scripts, fiction(novels, novellas, and short stories), songs, speeches, memoirs, personal essays etc. This was an event conducted on January 17,2020. There were 11 participants in this event. The topic given was " Make a Difference " which was also the theme of Youth Week. For the above event Prof. Pritha Biswas was the evaluator. On the basis of the evaluation criteria, Rashmi Singh from 2 BCom P secured the 1st place and Sripriya from 6 BBA F&A secured the 2nd place. YOUTH RALLY An overindulgence of anything can lead one into the state of intoxication. Substance abuse, also known as drug abuse, is use of a drug in amounts or by methods which

are harmful to the individual or others. If you have the faith and will even the strongest substances in the world cannot do any harm to you. Youths may feel indestructible and might not consider the consequences of their actions, leading them to take dangerous risks with drugs. Based on this idea of drug abuse or substance abuse, a rally was conducted on 18th January, 2020 from 1 pm onwards. There were 15 students who participated in this rally wherein the students marched from the Audi Block to Block 4 spreading awareness about the impact of drug abuse.

PROATHLON:

Both games and sports are extremely important in life to keep us healthy, strong and fit. At DPS we are constantly given various activities and events to promote the existence of teamwork and character building. Every year our department upholds an intra-department sports event under the name Proathlon. Proathlon deals with both indoor and outdoor games for both boys and girls. It comprises of sports such as football, cricket, table tennis, handball, kho-kho, volleyball, throwball, basketball, chess and treasure hunt. On 3rd February we held the inauguration and just like every other year we had an opening cricket match between the faculty and the students. The captain of the faculty team was Dr. Sameena Tarranum who won the toss and decided to bat but eventually the students went ahead to win the match. Around 2500 students participated in the event. The additional sports for this year was cricket for girls.

INDUSTRY-ACADEMIA-PROFESSIONAL BODY MEET:

The endeavours to find solutions to complex social, environmental and economic challenges demand a dynamic collaboration between universities, corporate and professional bodies. As a department our efforts have always been directed at making our academics on par with global standards, at making our students corporate-fit and at inculcating a research spirit in the student community among other things. For this reason we consider it very important to have regular corporate-professional body interactions. The following were the speakers for the event were: Mr Raymond Jack, Executive Director of Finance and Operations at ACCA, the global body for professional accountants. Mr Mohammed Sajid Khan, Head of International Development at ACCA Mr Yashesh Sampat, CII goodwill ambassador. Mr Alok Saraf, Partner- Audit, Grant Thornton Other dignitaries present were, Mr Kush Ahuja, Head of Business Relations, ACCA Mr Prashant Jawanjali, Regional Manager- South, ACCA Ms Jhelum Dhar, Human Resource Manager at Grant Thornton

CULMINAIRE:

The department of professional studies aims at increasing the competency of students through both extra- curricular and co- curricular activities. Culminare is an event that felicitates such students. 259 students were felicitated under various categories, ranging from culturals to professional achievements to academic toppers. They also attempted to recognize those students whose contributions to the department in the year 2019-2020 has been unparalleled to the events held in our department. Parents serving in the force were also invited to express our gratitude for their service. The event also unwrapped the hidden talents of our professors when they put up a dance performance dedicated to the graduating batch of DPS. They also felicitated two of our faculties Ms Reshma Roy and Mr Ranjith J. Narain for their contributions to the department events. Towards the end of the event they revealed the much-awaited Student of the Year award. After meticulous rounds of academic evaluation, teacher and student votes, Yash Raj Singh Nigam from Post Graduate and Peddina Sripriya from the Under Graduate category bagged the award.

KRITHARTH:

Kritharth is a flagship occasion presented by BCom Morning students, through which they connect and ally with the students and fraternity of Bachelor of Hotel Management. Kritharth is a programme one of its kind, started in 2019 by the BCom Morning students, where the whole idea of the programme was to convey their gratitude to the students of Bachelor of Hotel Management, who did not mind missing on their curriculum classes to work towards the preparation of the after lunch on all the 6 days in a week. It is an event in which they thank those hands of love with profuse feelings of thankfulness and appreciation, who work hard consistently towards preparing tasty food filled with love and care called Afternoon Lunch. It was held on February 18, 2020.

ALEKH- Art Society:

Alekh is a platform for all the creative minds and artists of the department – our very own and first ever art club for the Department of Professional Studies. The décor

committee of every event in this department is handled by Alekh. It was founded in the year 2019-2020 by Abhay Shankar (3rd year B.com F&A 'A') and Rishikesh CV (2nd year B.com F&A 'A'). Alekh has been a part of various fests like FutureMUN, Cognito, etc and they placed 2nd at Blossoms finals theme portrayal in the year 2019-2020.

S.A.F.E. Club:

The Sustainability and Forest Education (S.A.F.E) Club is the only club in the Department of Professional Studies, that is working towards spreading awareness about animal cruelty and environmental degradation, by aligning with the United Nations Sustainable Development Goals - SDG 5, SDG 11, SDG 13 and SDG 15. SDG 5: Gender Inequality SDG 11: Sustainable Cities and Communities SDG 13: Climate Action SDG 15: Life on Land

DPS MUNSOC:

The DPS MUNSOC was established with the aim and objective of nurturing the young delegates and the enthusiastic MUNers of the department. Since its inception the DPS MUNSOC has been to various national MUN conferences and have bagged lot of lorals. Within a short period of time DPS MUNSOC has established itself in the southern circuit and is a true backbone of the department conference Future MUN.

C.A.L.M – Mental Health Awareness:

C.A.L.M (Calling Against Living Miserably) is the first mental health awareness club hosted by the Department of Professional Studies to break the stigma and build a society where “Mental Health Is The Foundation of A Healthy Society”. In order to send out this message it is important that each and every student of the Department of Professional Studies come up with innovative ways to be resourceful to raise awareness about the same. Objectives: • Raise awareness about mental health continuum, • Reduce stigma associated with mental health, • Promote help seeking behaviours and emotional wellbeing practiced, • Prevent misery and suicide through individual events and outreach programs. Focus Groups: • Learning disability • Suicide helplines • Peer education • Focus groups • Self-help mechanisms

LEGO- Soft skills initiative:

Initiated back in 2016, LEGO is a student driven association that constitutes of personality and grooming sessions towards honing communication skills, and giving an opportunity to the young minds to develop and intensify their confidence. This forum consists of two sets of skilled people - the trainers and the content developers. They together improvise on activities blending it with a corporate touch, in order to help a Professional Studies student. This idea struck to the Director, Prof. Biju Tom's mind back in 2016, understanding that there is a need for the students to take out some time in a week and dedicate it towards identifying the hidden potentials present within oneself, and in the class giving students a different exposure. The goal is to apportion best value addition of skills to every individual by means of conducting

debates, group discussions on current affairs and burning topics, mock fests, presentations and various business related exertions.

Kannada Nudi:

Kannada Nudi is a language club, aiming to develop one's understanding and speaking ability of Kannada language, with a special emphasis on providing contextualized learning. This includes sentences and words across various languages, and providing an insight into the local culture to further impress upon the meaning learnt by certain words. Kannada Nudi has always strived towards making classes as relatable and interesting as possible, using various media such as movies, advertisements and songs to create an atmosphere conducive to both understanding meanings, as well as pronunciations. Students were first taught self introduction, including their name, the place they come from, the college they are studying at etc., to help them build a better rapport with the people around Bangalore. Then they were taught Wh-words such as why, where, what etc to help them understand the context of the sentences. After some time into the programme, they were being taught on how to begin with basic conversations, starting with hailing an auto, buying a ticket on the bus, ordering at a hotel etc. In the last few classes, the Kannada Nudi team aims to teach students how to read letters as well as provide an overall sense of the Kannada Language.

PROFUSE:

The literary society of the Department of Professional Studies, PROFUSE, presented the fifth edition of its annual collective, which is crafted with care and a passion for the written word. "PROFUSE" is an amalgamation of "pro", both short for "professional" and a prefix to express favour or support, and "fuse", the seamless joining of the thoughts, ideas, emotions, and expressions, always varied and colourful but never fragmented. The PROFUSE team and the fruit of their labour - the collective - are both forums for a vibrant and unapologetic celebration of a multitude of voices that ultimately come together in unison. This academic year saw the beginning of a new journey, with the first order of business being the recruitment of new writers to join the team as editors, all of whom shared a deep passion for writing and collaboration. After a three-stage selection process, the new members, along with the old guard, began envisioning this year's edition of the collective. Having just reborn from the shadows with renewed energy, it was now time to conquer the loftiest of goals. The journey has been a long and winding one, equal parts treacherous and exhilarating, and it finally culminates at the highest of peaks. Perched at the very top, Team PROFUSE takes you through the theme "Pinnacle" with stories embodying the epitome of the zenith.

GENESYS- Extension Activity:

Pablo Picasso once said, "The meaning of life is to find your gift, the purpose of life is to give it away. It takes a big heart to help shape little minds". "You can have brilliant ideas, but if you can't get them across, your ideas won't get you anywhere". -Lee lacocca Developing digital literacy and communication skills in young minds is the crucial role of Genesys. This is an initiative of Department of Professional Studies to teach the children of housekeeping staff. After the children are taught computer

skills, during break time they all come together and watch life hacks or other informative videos on YouTube. They make the best use of time and resources. It's definitely a mutual learning experience. The classes are held during Saturdays from 12:30 to 3:00 pm. Activities undertaken by Genesys: 1. Digital literacy - teaching the children basic computer skills like using Paint, Microsoft word, PowerPoint and excel depending on their age. 2. Developing oratory and public speaking skills. 3. Making them aware about current affairs and various global issues. 4. Imbibing in them a love for the environment and a concern for social issues. 5. Explaining their subjects through practical examples and developing in them a conceptual framework.

SPANDAN:

Spandan is an initiative which focuses on helping the HIV infected children in Snehagram- an NGO that houses these children. Spandan aims at helping them academically as well engage with them in bringing a perspective different from the kind of world they live in. Snehagram is a home built suitable to their needs and it caters to every necessity in one of the best ways possible. Along with Department of Professional Studies, 3 other Departments are also part of this Project namely, Department of Commerce, Department of Management Studies and Department of Psychology coming under the wings of CSA. Our department have chosen the 3 subjects to teach the children, Fundamental and Functional Mathematics; Basic Banking; Business Communication. The syllabus was formed in the beginning of the year designed in such a way that each subject had a flow to the portion covered in every visit. This year, we have gone on 3 visits with approximately 10 students and 2 teachers each visit. This initiative is a step towards eliminating stigma and instead fostering an altruistic spirit in the society.

SAHYOG:

Sahyog is an initiative from the Department of Professional Studies in collaboration with Centre for Social Action (CSA). This platform aims in reaching out to the people who are facing numerous disabilities to express their talent and prove their worth. This involves visits to various NGOs across Bengaluru with the aim of helping them out in the best ways possible. The team is currently headed by Swarnamalya P and Arvind B, Yogesh, Saaru, Suresh. The notable visits done by the team so far are Seva in Action, Deepa Academy, Christ Special School, Diya Foundation, Samarthanam, Youth of Brigade. The students have showed their interest taking part in visits and they have consistently helped in proper functioning of various activities. Sahyog aims to extend their arms further by reaching out to more and more NGOs in the future. A Sign Language Class was organized by Enable India in the Seminar Hall as part of Sahyog where students were taught on the usage of Sign Language.

GNANA SAMANVYA EMPOWERMENT

The department continued its annual Gnana Samanvaya immersion and training programme. Under this initiative this year department coordinated immersion of 40 students from St Joseph's College, Chikamanglur. The activities included providing basic training on GST, Vedic Maths and Leadership

SAMMILAN:

Sammilan is the unique programme organised by the department as a part of Women's Day celebrations. A panel discussion was arranged with Akkai Padmashali, Indian Transgender Activist, Smayukta Hornad, Indian Actress, Divya Sara Thomas, IPS officer. Many issues of inclusivity, discrimination and the way forward were discussed by the panellists. The audience was also very interactive during the Question-Answer session.

PRATIBIMB:

The newsletter of the department, launched its second edition in February 2019, covering all the events of the academic year 2018-19. The newsletter was sent across to all students and faculty members of the University

PROFUSE, the department magazine was also released to all students and faculty. The theme for this edition was 'Pinnacle'

| Name of the Department | School of Business and Management |
| Department Introduction | <p>Focused on aligning with the CHRIST University's vision of 'Excellence and Service' the School of Business and Management (SBM) offers business education through Undergraduate, Graduate and Doctoral programs under different management streams. The school is guided by the regulations of University Grants Commission (UGC), All India Council for Technical Education (AICTE). SBM is also accredited by National Assessment and Accreditation Council (NAAC), an autonomous institution of the University Grants Commission (UGC). SBM prepares future managers to handle external and internal challenges in the most effective way. The business environment is undergoing drastic changes steered by demographic, economic, social and technological forces. These trends send a strong signal that what business needs today is much different than yesteryears. During the year 2019-20 SBM has focused on imparting scholarly education that results in impactful intellectual contribution to the society. The focus has been on continual improvement of curriculum to provide students the best of opportunities and a launching pad for careers. At SBM, every student goes through a wide spectrum of experiences which include the Organization Structure Training, Out-Bound Training, Book Review Competition, Summer Internships, Social Concern Projects, Mentoring, Holistic Education Development, Weekly Presentations and Master Thesis.</p> |

It is a learning tool that provides tangible service to the community. School of Business and Management (SBM), introduced Social Concern Project (SCP) and Social Responsibility Project (SRP) for graduate and undergraduate students as a one credit course. • The Hotel Management students of SBM are engaged in a program called SWĀD (Taste) which focuses on a journey to promote native food and food habits as well as sustainable farming. Through years of staunch exploring and promotion, students have not only learnt but also taught the beauty behind traditional and local cuisine. However, this is only a meagre part of its activities. SWĀD is involved in various activities that aim to explore diverse individual ingredients along with their versatile uses, forgotten food culture, promotion of seasonal produce consumption, healthy and sustainable farming practices, reduction of food wastage and much more. A master class is a weekly event conducted wherein kitchen specialization students of the final year batch conduct a master class on a selected dish from a cuisine they are specialized in. The young chefs demonstrate and explain the origins and preparation of the dishes. The event is open for all students from across the campuses to participate. • Organizational Structure Training (OST) is a unique industry project taken by the newly admitted first year MBA students in the SBM to gain insight into the functioning of manufacturing organizations with a turnover of INR 100 crores. • SBM senior students conduct Icebreaker and Out-Bound Training for |

To name a few; Binghamton university, University of Toledo, Zurich University etc. • SBM in partnership with IBM, SAP, EY, KPMG and other partner organizations delivers laboratory sessions, trainings and workshops to enhance the skill of business students. • Holistic Education Development (HED) is the USP of SBM where the focus is towards the overall holistic development of both faculty and students. Training is provided to faculty and students on personal, interpersonal and societal skills which helps for developing life skills. Holistic education is a representation of the vision of CHRIST (Deemed to be University) 'Excellence and Service' in tune with its mission statement 'CHRIST (Deemed to be University) is a nurturing ground for an individual's holistic development to make effective contribution to the society in a dynamic environment' guided by the core values, faith in God, moral uprightness, love of fellow beings, social responsibility and pursuit of excellence. SBM also implements HED as per its vision and mission statements to all students which enable an all-round human development - going beyond merely generating knowledge and applying the same. • Mentoring is a unique and innovative practice of SBM based on mutual trust and respect among faculty and students to coach, groom, guide and mentor the students. Mentoring is focused on creating an informal association between the teacher and the student. Mentoring sessions are planned |

One-on-one attention and care is ensured for the mentee by the mentor. 'Connect over coffee" with themes is a platform to interact with all the members of the Institute with the exchange of ideas and thoughts. Peer-to-peer learning in collaboration with CAPS has created rich learning experience in formal and informal contexts for the student community. Cooperative learning initiatives have enabled in nurturing positive interdependence and social support through collaborative learning.</p> <ul style="list-style-type: none"> • SBM curriculum is designed by involving all stakeholders, namely, academicians, industry experts, alumni and students to keep the courses relevant and updated with current business trends to enhance the learners' engagement. The courses are offered to introduce the latest concepts and practices which are delivered through innovative pedagogy and instructional materials. Instructors' and students' involvement in teaching and learning has brought individual, institutional, industrial and societal impacts. | | <p>conscious efforts to keep abreast with fast-paced changes that the media and journalism are undergoing. It is a formidable challenge, but a challenge we the students and teachers of the department are prepared to tackle head on with teamwork.</p> <p>Rethinking the topics and modes of learning informed by a deeper understanding of these changes has been a continuous process at the department since its inception in 2016 as the Media Studies Cluster as a part of the School of Business Studies and Social Sciences. Starting this year, we function as a department as part of the School of Arts and Humanities. The department strives to continue to provide opportunities to the students to apply in real-world contexts the knowledge they have acquired in the classrooms.</p> |

ELECTRONIC AND COMMUNICATION ENGINEERING

| Name of the Department | Electronics and Communication Engineering |
|------------------------|---|
|------------------------|---|

| | |
|-------------------------|---|
| Department Introduction | <p>The Department of ECE continues to grow at steady pace. Scholarly productivity is very strong with faculty publications of about fifteen articles in refereed journals, three book chapters, two patents published and one patent granted during this reporting period. The consultancy services carried out in the field of RF and microwave antenna testing is notably vibrant. Once again, this year witnessed with seven technical talks and four hands-on training sessions to impart core knowledge to the students.</p> |

Special emphasis has been laid out on recent industry trends and also programming skills which will make our students employable. The entire syllabus has been framed by doing a comparative analysis with other abroad universities and also by following the AICTE model curriculum. • Department has introduced project based learning in the curriculum through service learning where the students create prototypes and projects which are helpful to the society in the fields of agriculture and health care. • Department has introduced mini projects in the curriculum to equip the students to solve real life applications and to enhance their employability. • Open electives are introduced in the curriculum to give the students from other departments an understanding of electronics and communication engineering concepts applied for multi-disciplinary applications. • Internship has been introduced in the curriculum aims to provide an opportunity to seek, acquire and explore an appropriate level of technical skills through industry exposure. |

Comprehension</p> <ul style="list-style-type: none"> • All the classrooms are provided with ICT facilities to enable visual teaching in all the subjects. • The entire campus is Wi-Fi enabled allowing the students access to any material on the internet on the go. • Department has introduced research groups to expose students to research culture as early as second year. Through these research groups, students work with faculties in their areas of research and during this hour an exclusive discussion takes place among the students which is initiated by the students. • Expert video subject lectures delivered by the various eminent resource persons are available in the digital library and it facilitates the faculty and students to utilize e-tutorials of NPTEL, MOOCs access E-Journals, Video Conference room, etc • Peer teaching has been introduced where the advanced learners handle classes for slow learners of junior batches. • Faculties use Learning Management System (LMS) extensively for uploading assignments, teaching materials which will be made available to the students anytime. • Department has procured MATLAB TAH (Total Academic Headcount) license which enables all the students to have MATLAB with about 50 toolboxes in their individual laptops. • There is provision for submission of assignments online and online evaluation is also available. • Faculty members are encouraged to update their knowledge by attending frequent FDP's and short term courses. One type of antenna that fulfils most of the wireless system requirements is the planar antenna. It finds increasingly wide range of wireless applications in handheld mobile devices, satellite communication systems and biomedical applications. This Research Laboratory provides a complete platform for simulation and experimental validation of antennas & RF system designs upto 40 GHz. This lab is equipped with HFSS EM simulation software and the state-of-the-art kind of measuring instruments Vector Network Analyzer, Spectrum Analyzer, PCB Printing Machine, RF modules and an Anechoic Chamber measuring a size of 7m x 4m x 3m. The long term goal is to develop this laboratory as a center of excellence for microwaves.</p> |

Best Practices:

- The Studio on Wheels the traveling classroom is a unique pedagogical approach adopted for an experiential teaching-learning practice in our education at CHRIST. These intensive studio sessions are designed to engage deeper learning and discourse on social and environmental issues, set within a selected geographic area or community precinct thus rendering a global perspective to the curriculum.
- The Christ Rural Studio - revels in its professional services in academia to reach the grassroot level involving faculty and students alike. Our close working relationship with the existing ecosystem of the University has rendered a unique identity to the curriculum, building a deeper social and environmental responsibility within students in the rural reconstruction of the region. The CHRIST Rural Studio rolled out as a social outreach project, at semester-4 level, explores poetics in bamboo while learning appropriate technology. Primarily intended to encourage applied research, publication, and service learning at the undergraduate level the studio has been able to earn several credits to the University.

PHYSICAL EDUCATION

The moment of victory is much too short to live for that and nothing else

(Martina Navratilova (Tennis Player))

Perseverance and tenacity are often the fundamental traits of success. When these are combined with dedication and teamwork, the result is outstanding. Sports and athletic has been an integral part of Christ (deemed to be university) years immemorial. Keeping up the tradition this year too **Pedagogic League held in the month of June and July**, competitions in Football, basketball, volleyball, throw-ball, tennis and hockey , kho-kho, handball in both (men & women) resulted in the highest participation for football in Christ University with **500 students**. The League allowed for the selection of the best players to represent the Christ University main teams. The Physical Education Department provided professional coaches for their training. Department of Physical Education at Christ has been a nourishing body for all young talents to grow and succeed like a seed into a tallest Oak.

At the beginning of the academic year is the conduction of an induction programme for the Fresh batch of students to acclimatize them the various facets of college life, campus, facilities available and to acquaint them with their staff and fellow students.

Unlike every year, this year also **CHRI-SPO FEST** an Annual Inter-Collegiate, Sports Festival, held by Christ University, in the month On 28th of August 2019, in which we had a participation of all Men and Women disciplines.

Christ University became Winners in Football (W& M), Throwball (M&W), Volleyball (W) Hockey (W) and also came Runners Up in Volleyball (M), Volleyball (W), Football (M), Tennis (M&W) & Handball (W), Hokey(M) respectively.

The South Zone Inter University Football (Women) Tournament held from 29th Oct 2019 to 1st Nov 2019 at Christ (Deemed to be University) Bangalore. Fixtures were drawn for 30 university teams, and 26 teams were participated in the tournament. ACADEMIC STAFF COLLEGE

CHRIST (Deemed to be University) recognizes and committed to its role as a transformer of value education with the motto 'Excellence and Service'. To create an appropriate learning platform for its teachers the University has established an Academic Staff College in 2011. The Academic Staff College conducts induction orientation, refresher and quality improvement programs to augment the skill, knowledge and competency of faculty members.

The objectives of the Academic Staff College are:

- To create awareness of newer methodologies of learning and teaching among faculty members.
- To add knowledge as a value to our teachers.
- To enable teacher-learner to understand his/her own subject along with other subjects and knowledge at global level.
- To educate our teachers on general aspects of education and allied disciplines.
- To deliberate on research and consultancy activities and opportunities.
- To build the confidence of our teachers with strong knowledge base.
- To set and improve the educational standards at the national and international level.

Induction programs are organized for all newly recruited faculty members of the University. In this the faculty members are introduced to the University in general with emphasis on its culture, officials, processes, practices, policies, facilities and expectations. The orientation programs are for Assistant Professors in the grades of IV and V which highlight the various aspects of higher education, academic leadership, value education, innovative methods of teaching – learning pedagogy, etc. The Refresher programs for Professors/ Associate Professors and Assistant Professors grade III and above, emphasizes the contemporary and applied aspects of knowledge in different disciplines leading to advancement in research and consultancy with a focus on multi-disciplinary approaches. The Quality Improvement Programmes (QIP) is about domain knowledge and aimed at all faculty members on capstone areas and is subject specific.

The CU-Academic Staff College has a duly constituted a Board of Studies, members being nominated by the Vice-Chancellor, and all Deans/Associate Deans, Personnel Officer and Registrar being the ex-officio members; and an Academic Advisory Committee chaired by the Vice Chancellor with due representation from faculty members, Deans, two external experts, Registrar, Chairman, Board of Studies of ASC as members, and Chief Finance Officer and Personnel Officer as special invitees, to deliberate on need, significance, time frame, and financial approval aspects of the programmes.

ALUMNI ASSOCIATION

CHRIST (Deemed to be University) Alumni Association represents the voice of all graduated Christites of the University and committed to enhance the growth of the University by providing a wide range of resources and opportunities.

CENTRE FOR ACADEMIC AND PROFESSIONAL SUPPORT (CAPS)

The Centre for Academic & Professional Support (CAPS) has always aimed to set benchmarks in different academic domains. It has been successfully developing excellent professional proficiencies by focusing on soft skills and promoting career readiness through in-house and external trainers. CAPS outreach comprises experiential learning and delivery of well-researched content, created to support several target audiences like students, researchers, teaching faculty, and non-teaching staff through its 5 Wings and 5 Committees.

Spreading its arms and continuing its outreach through various modalities, CAPS conducted 221 outreach sessions in the form of classroom training sessions, one-on-one sessions and events. Through these, it reached out to 10,700+ Christites over three different campuses in 2019-2020. The academic year 2019-2020 was significant, with over 253 volunteers and seven full-time mentors and advisory faculties working painstakingly to bring out the best in every member of its tight-knit family.

In collaboration with International Offices, CAPS organized the 5th series of 'Big Leap- Applying to Foreign Universities' to clarify students' doubts when sending their applications to foreign universities. During the year, CAPS also conducted various events like, ADAPTING TO CAMPUS LIFE, which conducted a psychometric test on students, helping them understand their adjustment level to new environments, and explored adjustment strategies. CAPS launched 'Aurus Memoirs- A Book of Memories' to commemorate 50 years of CHRIST (Deemed to be University)'s excellence and service in the field of education. Around 50+ contributors reminisced their journey at CHRIST.

The Online Writing Lab of CAPS also launched courses like, Introduction to Professional Communication, Preparing for UGC NET, which provided Christites free mock tests and preparation tips. The Team also developed a module on Research writing, Academic Writing, Note Taking Skills and Creating a Professional Resume. These courses were offered free of cost to all Christites.

The CAPS English Writing Support team organised an event named PENATHON to encourage poetry and writing skills among all students. The Research team of CAPS organised a Research Symposium in association with CENTRE FOR RESEARCH which was aimed to promote research culture in the university. CAPS conducted a Summer Internship, giving over ten interns a comprehensive work experience. A snapshot of CAPS' activities and outreach programs can be understood through caps.christuniversity.in

The family continues its journey towards excellence. Indeed, the clock never stops at CAPS.

WOMEN'S HEALTH AND PREVENTION OF CERVICAL CANCER

A seminar was conducted on 19th July 2019 on 'Women's Health and Prevention of Cervical Cancer.' The event was organised by the Centre for Counselling and Health Services, in collaboration with Anvaya, the CSA wing of the Department of Management Studies, Centre for Social Action (CSA) and in conjunction with the Indian Women Network (IWN), Confederation of Indian Industrialists (CII) and Rainbow Children's Hospital.

- The dignitaries present for the event were Dr Victor Paul, Head of the Department of Sociology and Social Work
- Dr Kavitha Kovi, Rainbow Children's Hospital; Squadron Leader G Srikala, Senior Associate, CII
- Ms. Shirin Salis, Vice Chairwoman IWN and Vice -President - HR Ingersoll Rand Technologies and Services Pvt Ltd
- Dr Monica Madvariya; Rainbow Children's Hospital
- Dr Asha Pinto Medical Officers Christ (Deemed to be University).
- Ms Ashley George, Coordinator, Centre for Counselling and Health Services
- The event focused on creating awareness about women's overall wellbeing and reproductive health, thus, empowering them at an early stage by educating them on preventive measures for health issues.

The seminar started with an address given by Dr Victor Paul, about the activities carried out by the CSA for the society like the Child Sponsorship Programme, Community Development Programme, etc. He also emphasized on improving the health of the women in our country as it would mean the development of the country itself. This address was followed by Ms Sherin Salis, the Vice-Chairwoman IWN

Karnataka, one of the guest speakers for the day. She spoke about the CII and IWN, which are non-profit, non-aid organisations. CII focuses on empowering women to become experts in their respective industries by working in three key areas viz. Leadership & Development, Health & Well-being, and Policy & Advocacy. The third speaker for the day was Dr Kavitha, a consultant from Rainbow Children's Hospital which specializes in paediatric, obstetric and maternal care. She conducted an informative and interactive session on the various aspects of women's menstrual and reproductive health in different stages of their lives. The problems and health concerns discussed were Menstrual Abnormalities, PCOS/PCOD, Uterine Cancer, Menopause and its effects, Lifestyle as a factor and most importantly, Cervical cancer. She answered the questions asked by the audience after her talk which gave more clarity on the subject. The emphasis was more on 'prevention' than on 'cure'. Dr Monica Madvariya, MD and an MBA (ISB), then, addressed the gathering about the importance of acting on the knowledge gained and spreading it. She expressed her gratitude to Dr Kavitha for her educational session and, to the other speakers, officials and the students. This was followed by a brief talk by Squadron Leader and Senior Associate of CII, G Srikala, on the importance of healthy habits and fitness at an early age, as these provide a basic ground for accomplishing goals in life. She also spoke about women who join IWN who can be graduates, corporate women and women entrepreneurs with a turnover of less than 1 crore.

The event came to an end with a Vote of Thanks by Dr Asha Pinto, to the various speakers, dignitaries, CSA and CHHS officials, and the audience. Lastly, she also extended her thanks to Anvaya and the students from DMS for organizing the event, and for making the Necessary arrangements for the same. The event, thus, effectively highlighted the importance of health awareness among women.

CENTRE FOR RESEARCH

The Centre for Research was established at CHRIST (Deemed to be University) in 2008 to nurture the research talents through a meaningful transition from an early stage of acquiring knowledge to an advanced stage of its creation and application. Striving for fundamental and axiomatic knowledge, identified as an existential need and necessity, underlies the pursuit of innovative and intensive research. The current process of rapid globalization puts forth demands and challenges that go well beyond the scope of a traditional curriculum where learning or expansion of knowledge is primarily conceived in receptive modes.

The Process of Doctoral Programmes

Centre for Research confers the academic degree of Doctor of Philosophy (PhD) on the eligible candidates based on the coursework in research methodology and the particular domain/s, publications in refereed journals, participation and/or presentation in National/International seminars, a thesis, and its evaluation after which public defense. The stages of doctoral programmes are starting from admission, validation of research proposal and PhD registration, progress review and submission of progress reports, PhD synopsis submission and defense, PhD thesis submission and final defense and award of doctoral degree. The degree certificate indicates the discipline under which the degree was pursued, the title of the thesis and the date of public defense.

Coursework

The six months coursework classes started for the current batch in the month of June 2018 and were completed in the month of December, 2018. The coursework is being conducted as Phase I, Phase – II and Phase – III and at the end of the Phase III, the Centre was conducted an end semester examination in January 2019.

Review meeting and Proposal Presentation

The Centre for Research completed a review meeting for the 2015, 2016, and 2017 batch PhD Scholars and verified their research progress. The 2017 batch PhD scholars are under the process of submitting their PhD research proposal.

CENTRE FOR RESEARCH-PROJECTS

Research and continuing activity forms the backbone of a university. Traditionally, universities have been the centers for research, though the government has a network of science and technology laboratories for research & development, the major base for research remain within the universities.

Accordingly, CHRIST (Deemed to be University), Bangalore, assumes a responsive role in order to promote advanced academic research in diversified disciplines through the establishment of Centre for Research-Projects in 2010. The Centre for Research-Projects in its endeavor to help society, businesses and enterprises to manage risk and uncertainty has different professional groups, who assist and take up 'pure' and 'applied' research assignments. These research projects focus on various issues related to the Economy, Society, Industry, and Government Agencies etc. in the form of Major Research Project (MRP), Monograph, Working Paper, Scholarly Book, Instructional Software and Minor Research Project (MIRP).

Major Research Projects conceived by the Centre and executed by faculty members of CHRIST at different levels in Social Sciences, Natural and Physical Sciences and Applied Science disciplines, not only adds significant value to the society but are also important in the ever changing global scenario. Monograph, which is an in-depth study on a specific theme, concept or model, doctrine, treatise or a report, is published by the Centre to provide an in-depth insight to drive further research or application. Another level is the Working Paper or Work Paper that the Centre publishes provides scholars an opportunity to further deliberate and expand. Scholarly Book is to provide an in depth examination of current events; discuss and reflect on original research; and discuss on professional expertise. Instructional Software's sole purpose is to develop e-learning, simulation, gaming, mobile learning etc., applications to support instruction and/or learning. Minor Research Project aims to carry out independent research on topics of academic and professional interest.

For all the above projects, faculty members, industrial executives, scientists from institutions/organizations like the Indian Institute of Management, Bangalore; Indian Institute of Science, Bangalore; Institute for Social and Economic Change, Bangalore; National Law School of India University, Bangalore; Karnatak University, Dharwad; Gulbarga University, Gulbarga; Bangalore University, Bangalore; PHILIPS, Bangalore; Institute for Fiscal Policy, Government of Karnataka, Bangalore; Indian Statistical Institute, Bangalore; Azim Premji University, Bangalore; Vikram Sarabhai Space Centre, Trivandrum; ISRO, Bangalore etc., are involved in the review of proposals and bi-annual reviews. These projects are approved with due internal vetting, external review and personal defense of proposal before a duly constituted committee with a Vice-Chancellor's nominee.

The highlights of the projects are: bi-annual reviews with external experts, publication of research papers, presentations at seminars/conferences, involvement of students, discussion with colleagues, inter-disciplinary approaches, panel

discussions, interaction with experts, field surveys, involvement of departmental/deanery colleagues, and engagement of students. The Centre also has appointed few Visiting Research Mentor to continually facilitate the departments /deaneries research endeavor.

Central Campus**Testing and Evaluation Process in the University**

"Testing and evaluation process at CHRIST (Deemed to be University) is committed to ensuring transparency and accuracy. The University conducts two kinds of evaluation for all regular programmes, viz CIA (Continuous Internal Assessment) and End semester examination (ESE). The CIA consists of two tests administered by course instructors and a mid semester examination. The ESE was held for odd semester in October and even semester in May-June. The trimester programmes have their ESE in September, December and May. Question papers are generated through question bank software through Gaussian distribution 1:2:1 for each of the topics in the syllabi. The evaluation of MPhil is done by an internal and external evaluator along with guide, the PhD thesis are evaluated by two external, one from Karnataka and the other outside the state. This year the evaluation and tabulation process for the odd semester was during October 2019 and even semester was completed by 3rd week of July 2020.

OFFICE OF INTERNATIONAL AFFAIRS

“We live in a world that is full of beauty, charm and adventure. If you can not only learn from your own culture, but others as well, you will excel even more in this international world we now live in. Make the most of the world around you by taking your education abroad. From here, the sky is the limit.” – Unknown

It is easy to be on top but to maintain stability and consistency was the key drive focus of the University in the year of 2019-2020. With an established dedicated office to handle international workings, the Office of International Affairs paved the way to being a dedicated centre for a holistic contribution for internalization. With the increase in the requirement for global collaborations due to the increase in demand of these integrated programmes, the University stretched out to not just facilitate workings for students but even academicians equally in an attempt to give exposure knowledge seekers and the knowledge givers.

Besides focussing on exchange programmes, one of the key focus was to ensure support to existing international students and also to make CHRIST a home to international degree seekers across the globe. In an attempt to share knowledge of CHRIST, the Office of International Affairs participated in multiple educational online fairs and even made visits to Nepal covering 12 schools and sharing what can be offered as a prospectus for higher education.

As many as a total of over 242 international applications were received which resulted in an overall international strength of 515 students choosing CHRIST being a home ground with representations across the globe to be GLOBAL CITIZENS representing over 52 countries worldwide.

With 16 new MOUs being signed in the period of 2019-2020, the total number of official collaborations and MOUs crossed 145 since its inception and will continue to grow over the coming years as the extent of collaborations have varied from Australia, Germany, China, Chile, France, USA, Japan, Republic of South Korea, Netherlands, Belarus, Spain, Switzerland, Russia and even countries like Malta and Kazakhstan and much more.

Faculty exchange both incoming and outgoing has been one of the key driving factors in internationalization which lead to a massive increase in the faculty on both short term and long term exchanges seeing 394 faculties who had visited CHRIST during the said year which was almost a 300% growth from the earlier year which included countries like Australia, Bangladesh, Canada, Belgium, China, Estonia, Finland, Germany, France, Greece, Hong Kong, Ireland, Israel, Lebanon, Italy, Mexico, Nepal, Republic of Korea, Philippines, Russia and much more. The CHRIST also had its share of faculties who visited the globe on exchange programmes which was a whopping 28 in count.

Student exchanges saw a high rise with 128 students travelling from CHRIST on short- and long-term exchange with credits transferred. 35 students moved across the globe for CSA with a social cause in mind. The India Gateway saw 102 students who visited the country for a cultural and social exchanges while the United Studies

Abroad Consortium welcomed 22 students globally into CHRIST. The year also saw a massive count of 287 students who came into CHRIST on short- and long-term exchange programmes.

International funded and non-funded projects and researches saw a surge during the year with 9 and 10 being the respective numbers for the University along with 31 internationally collaborated publications which resulted in 7 international conferences also being organized during the year.

The year also saw progressive talks for professional collaborations with the British Council, ACCA, CIMA, and CPA along with a lot of collaborative talks with multiple entrepreneurs and also global companies which held hands to pave the way for academic and also student outreach betterment.

Overall, the year was one of the most fruitful years and a year which earmarked new benchmarks and is to be taken to further heights in the way forward.

OFFICE OF REGISTRAR

The Office of Registrar with the vision, mission and core values of the University plays a momentous role in promoting the principles of service in both academic and administrative policies and procedures by ensuring the observance of academic policy, reliability, sanctuary and confidentiality of academic records. It provides guidance and leadership to the academic community in compliance with the rules and regulations established by various accrediting agencies like UGC, MHRD, NAAC, NCTE, BCI, and offices of the Director of Collegiate Education, Commissioner of Collegiate Education etc., The office prepares necessary reports and analysis for review development and enforcement of goals, objectives and strategic plan of the University. It is also a centre for repository for articulation and consortium agreements.

The following nine statutory meetings were held during this academic year, 3 Academic Council Meetings, which mainly focus on the approval of admissions, New Programmes & curriculum changes and approval of results and graduation. Four meetings of the Board of Management were held to discuss and approve of the new programmes and approval of results and graduation, audit reports and progress on research programmes and overall activity of the University. 2 meetings of the planning and monitoring board were held to discuss the extension of academic and administrative activities and propose innovative suggestions.

The office is instrumental in communicating to various external agencies like Right to Information, Government of Karnataka, Association of Indian Universities, Ministry of Home Affairs, Foreigner Regional Registration Offices etc., The yearly statistics were furnished to UGC, MHRD, GOK, Minority Cell, Disability Cell, Anti ragging Cell. The compliance of annual statistical requirements from UGC and MHRD were also uploaded to the All India Survey on Higher Education portal.

The regular arrangements for various meetings of departmental heads, stakeholders etc., were also done. Issuing letters to the students as per their requirements and attestation of syllabus and transcripts were done regularly.

OFFICE OF STUDENT WELFARE

The Student Welfare Office provides a platform for students to exhibit their talent. It provides a forum through a string of cultural activities for like-minded individuals to meet each other, exchange ideas and shape their personalities. SWO conducts

programs like DARPAN, BLOSSOMS, IN BLOOM and DANCE DAY, to search the best talents in campus and fines and refines the sharpest minds.

SWO consist of 5 wings, namely

1. University Volunteer body
2. University Cultural team
3. University Choir team
4. University Dance Team – Natyaarpana
5. University Quiz Association – CUQA
6. Debating Society – DEBSOC

Like all the previous year Student Welfare Office has worked hard to make all the events successful and achieved it. While the volunteer body, cultural team, choir and dance team brought new life to campus, CUQA helped the students to sharpen their minds.

This is one day where all the student bodies

of the university like the NCC, Cultural team, SWO volunteer body, CSA and so on rendezvous in their full strength and proclaim the unity in diversity that Christ University is proud of. The Student Council members of the next academic year are announced and every single entity in Christ that makes it what it is thoroughly acknowledged and appreciated.

CHRIST UNIVERSITY CHOIR 2019-20

The Christ Choir performs at all events and inaugurations requested for its performance. There were events that required the Full strength of the Choir, and some required just a selected few for its representation.

1. **University Convocation:** The convocation ceremony for the Academic Year 2018 – 19 happened on 24, 25, 26–May, 2019.
2. **University Inauguration:** The Choir opened its Annual Performance by singing the Invocations songs at the University Inauguration Days on the dates 29th May 2019, 3, 11, and 12 June 2019.
3. **Choir Audition** happened on the 17 June, 18 June and 19 June (3Days) and around 60 new members were added to the Choir which then we had a strength of 140 members in the Choir proportionately divided into different parts. Many turned up for audition than expected and hence we had to extend the audition timings.
4. **Section Leaders:** The Choir chose two section leaders for each part and the role of these Section Leaders is to keep their Section of the Choir in Discipline, monitor their Attendance and also teach them the parts after they have learnt from the Conductor or from the music Score. These Section Leaders are selected mostly based on Seniority and capability to teach and learn parts for their sections. Therefore overall, we had around 10 Section Leaders.
5. **Golden Jubilee Valedictory Celebration:** The Choir performed “Exalt Him all Ye People”, a popular number from the Choral Anthem, “Final Countdown”, “This is Me” with the newly joined members in the University choir on the 4th July 2019 at Main auditorium in the presence of former President of India.
6. **Darpan:** It was a hectic month of July where the Choir had to perform for the Inauguration of DARPAN and PEDAGOGIC LEAGUE on the 8 – July 2019 at Football Ground. And we performed Balleilaka, Final Countdown, Spiderman Anthem, This is Me.
7. **Orientation:** The Choir had a two 2 days orientation organized by SWO at CHRIST Kengeri Campus where all Choir members were present.
8. **German Consulate:** We were invited to perform at the German Consulate for the German National Day on the first week of October 2019 where we took only the Final Year students. The Repertoire for that program was Deutschlandlied, Indian National Anthem.
9. **Teachers Day:** The Choir was able to render a heartfelt performance of Lean on Me on the Event of Teachers Day (5-9-18).
10. **Magnificat:** From September onwards, we started working for one of the most important Event of the Choir, a Christmas Concert “Magnificat” 2019. We could host 18 Choirs in total which includes Guest Choirs, Choirs within the Fraternity and many others from around Bangalore and one Off-station Band called KHMIH CREATIVE

SOCIETY. The Concert was held for two days in the Main Campus i.e., 7-12-19 and 8-12-19 at 5pm sharp. The Fraternity Choir raised the curtain of the Concert with a Song. The Choir also performed for the Magnificat at Kengeri Campus on the 13-12-19 and at Banerghatta Campus on the 14-12-19.

For the event, all Choir students worked on setting the stage, planning for the THEME and worked tirelessly to make this event a grand one.

11. This year we were invited to perform at some stages outside Campus. While we had to decline some offers because of certain reasons we could actually make it to Orion Mall and SJCC Annual Choral Showcase.

12. The Choir could participate in all 'In-campus' Christmas Events like The **Grand Christmas** Program in front of Central Block and **ACC Christmas Carols** held in the Main auditorium.

13. **Founders Day:** Few members of the Choir as required performed in this program on the 3rd January 2020 at Main auditorium.

14. **Sound Curry:** This is one heartily awaited Event for the Choir. This Event happened on the 22 February 2020 at the Main auditorium. It is a Secular show organized by the Choir. In this event the Choir performed many contemporary pieces of music from either Secular or Christian nature. It is the Event where the Choir gets to showcase its talent and through this program, everyone witnesses the fruit of the work and sacrifice the Choir members have made throughout the Academic Year. As it was for Magnificat, the Choir members knit stitch and sketch all handiwork to set the stage for the Show.

15. **Gratitude Day:** The choir could present a special song expressing Thanks and gratitude to the University. The Choir members were also split into small groups to go and teach the song to all classes so that the whole University could join along in the song Thank You.

16. **Invocations:** Besides all the programs the Choir had performed as mentioned above, the Choir has also been privileged to bless any Department or Programs happened in the Campus with a small Invocation and Prayer Song for each program. There was not a time that the Choir would refuse despite the fact that some programs asked for our Prayer Song at very last moment.

CHRIST UNIVERSITY CULTURAL TEAM 2019-20

The CHRIST (Deemed to be University) Cultural team 2019-20 was formed in the month of August 2019 following the results of Darpan 2019, an intra-collegiate fest that provides an opportunity and platform for Christites to portray their talents in art, music, theatre, literature and dance. The beginning of the Cultural Team's journey was from the Darpan Valedictory Ceremony 2019 where the winners of all the events were recognised for their hard work and perseverance. The winners went on to become the face of the institution and formed the Cultural Team 2019-20. This was followed by a two-day orientation program at Kengeri Campus for the team. The members were involved in several team-building activities, icebreaking sessions and cultural events which created a wholesome environment for exploring their talents and a great bonding experience. This was followed by the announcement of office-bearers and Cultural Heads. This created the perfect environment for the enthusiastic team leading to the first inter-collegiate fest of the year at Jyothi Nivas College. Though there wasn't an Overall, our University Team secured the highest number of points. Following this, St. John's Medical College had their annual fest called 'Autumn Muse' where CHRIST (Deemed to be University) bagged the overalls.

150 students who were the winners of all the events of Darpan 2019 were chosen for being the part of the Cultural Team 2019-20 of the University. These students represented Christ University at different stages for different events, at all the levels. These 150 students were further divided into 4 committees in which each of them was specialized.

The Cultural secretaries and heads were:

1. Vani Menon - Cultural Secretary
2. Arjun Sagar - Cultural Secretary
3. Ritika Kunwar - Theatre secretary
4. Keshav Agarwal - Theatre secretary
5. Shailaja S - Art secretary
6. Raghavendra - Art secretary
7. Kriti Dugar - Lit secretary
8. Ruchika Lalla - Lit secretary
9. Kiran Kumar - Stage Secretary
10. Nikhil Sebastian - Stage Secretary

Cultural Team went for various fests, out of which they bagged 4 overall trophies.

The fests are as follows-

1. St. Johns College of medical science.
Fest - Autumn Muse
2. IIT MADRAS
Fest - Saarang
3. St. John's College- autonomous
Fest - upstage
4. St. Johns College of Commerce.
Fest - Enact

The Cultural team this year also contributed for the National level fest organised by our own University.

In Bloom 2020, happened on 8th and 9th of February 2020. For which all the team members contributed in

1. Public Relations work

2. Decorations Work

And made it a grand success by getting a good number of participants from all over the world.

Cultural Team valedictory ceremony happened on 10th March 2020, where all the members were thanked for their active participation throughout the year and were provided the certificates. This was followed by several other individual and overall victories in various fests. The details of which are listed in the report below:

OFFICE OF SECURITY

Introduction: The COVID 19 pandemic impacted the entire World beyond anybody's imagination. The educational institutions were no exception & were the most affected. In view of the pandemic the CHRIST University Management took a proactive approach towards mitigating this crisis well before the directives received from Government of India.

1. Role of CHRIST University Management: The management took timely policy decisions & necessary directives were issued from time to time to Students/Faculty/Staff. All the directions were adhered to, which resulted in positive outcome.

2. Supply of PPE Kits: Timely supply of PPE kits by the Management to Security Staff which were immensely utilized to comply with laid down protocols during COVID 19.

Good work done by security by recovering the Lost and found items and duly returned to the Student Owners after verifying credentials. The undisbursed items were deposited at CSA

| Month | Mobile | Laptop | Valet | Cash |
|----------|--------|--------|-------|-------|
| January | 38 | 14 | 33 | 18650 |
| February | 47 | 23 | 22 | 14345 |
| March | 13 | 9 | 16 | 7362 |
| Nov-Dec | 1 | 1 | 0 | 2000 |

3. Role of Office of Security: All the directives, instructions & protocols issued by the management in line with the instructions received from the Government. The

Security Staff were briefed on the risks involved & mitigating measures were suggested to fight COVID 19 pandemic. Thus the PPE kits which were supplied not only boosted their morale but also enhanced the performance & their confidence.

- a) Regular Briefing of Security Staff
- b) Optimum Utilization of the Security Staff as per directions.
- c) Strict Access Control Measures permitting only those as approved by Competent Authority
- d) Effective coordination & monitoring.
- e) Ensuring social distancing and Sanitization of suspected places
- f) Effective implementation of lockdown/Unlock protocols.

4. Support to Office of Admission: Adequate support was provided to the admission/reception department by attending the complex queries of the parents /public. The threshold at the Main gate was absolved by Security Staff, since the admission/reception were working online.

5. Support to Office of Examination: The request by the Students in connection with the COE office regarding pending issues was coordinated in solving their issues.

6. Support to International Office: The queries by the International Students made to the International Office were well coordinated.

7. Support to Office of Registrar & IPM: All the post & courier were received at the Main Gate & processed punctually by handing over to the IPM/Registrar Office, thereby unnecessary movement were prevented.

8. Office of Library: Student Issues connected with library were equally attended by coordinating, receiving & handing over of books to the IPM & pending issues were cleared.

9. Support to Hostels: Adequate care was taken in solving the grievances of the Hostel Students, by coordinating with Registrar/Director/Hostel Warden in retrieving their left out belongings.

10. Support to the New Construction Site (DVK and Research center building): The Security Staff ensured seamless entry/exit of men & material by physical deployment of Security Staff. The deployed kept a close watch on the workers at site.

11. Support to the South Indian Bank: The SIB continued their Operations with average 75-100 visitors for whom the security staff extended their support in identifying / Temp check / sanitizing etc for the entry and exit.

12. Fire Officer: The Fire Officer attended all calls received from the BGR and Kengeri Campus in regard to the maintenance of the Fire fighting equipments in addition to the Maintenance of fire fighting equipments at Main Campus.

INDEPENDENT AUDITOR'S REPORT

TO THE BOARD OF TRUSTEES OF CHRIST TRUST (DEEMED TO BE UNIVERSITY) , BANGALORE

Report on the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **Christ Trust (Deemed to Be University) - University Consolidated Account** (the Society) which comprise the Balance Sheet as at March 31, 2020, the Income and Expenditure Account, the Receipts and Payments Account for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies.

In our opinion, the accompanying Financial Statements give a true and fair view prepared in accordance with the accounting principles generally accepted in India including the prescribed accounting standards issued by Institute of Chartered Accountants of India (ICAI) to the extent applicable:

- In the case of Balance Sheet of the state of affairs of the Entity as at March 31, 2020 ,
- In case of the Income and Expenditure account, of the Excess of Income over Expenditure for the year ended on that date; and
- In case of the Receipts and Payments account of the Receipts and Payments for the year ended on that date.

Basis for our opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI, as were applicable. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Entity in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India and we have fulfilled our ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

Responsibilities of the Management and those charged with Governance for the Financial Statements

The Entity's Management is responsible for the preparation and fair presentation of the Financial Statements in accordance with the aforesaid accounting standards, and for such internal control as management determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

The Management and /or others who are charged with governance, are responsible for overseeing the Entity's financial reporting process.

CHARTERED ACCOUNTANTS

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

Further we report that,

- We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
- In our opinion, proper books of account as required by law have been kept by the entity so far as it appears from our examination of those books of account;
- the Balance Sheet, Income and Expenditure Account and the Receipts and Payments Account dealt with by this report are in agreement with the books of account of the Entity.
