

THE BIG BILLY'S STORY

For Greg and Ellen Leonard the dream to have a restaurant near the ocean was always just that – a DREAM. Something they never thought would be obtainable! Fast forward 10+ years, Greg was transferred to Charleston, with Ellen and the kids in tow. Another 4 years later, Greg came home and said my dream restaurant is calling and Ellen (biting her nails) finally agreed that now is the time! The boys started asking for free food before the deal was even done – and before they knew it their "Big Billy's Dream" came true!
