# A SPECIAL WELCOME

**It is my sincere pleasure to welcome you to the 28th Annual A Mountain Quiltfest.**

If you are a returning guest, we welcome you back and if you are a new attendee, we hope you will enjoy this fascinating show and come back year after year.

This is my first A Mountain Quiltfest as Special Events Manager. I am looking forward to meeting and visiting with you. Quilting has a warm place in my heart. Both my grandmothers took art in quilting, but not to the amazing extent seen today. Their quilts were made for warmth during bad weather and for comfort during sickness. I am blessed to still have a couple of these quilts still serving me and my family to this day. When cozied up in one, I can still feel the love and caring of my grandmothers like a long ago hug.

As this event has grown over the years, so has the size, preparation, and execution. Many hours of work and planning goes into the event. The Special Events staff, along with the Piecemakers and Sevier Valley Quilters guilds have worked long and hard to bring you a first-class event. They deserve to be praised and thanked.

Our goal is for everyone to enjoy the show, the classes, and the myriad of activities offered during A Mountain Quiltfest. Most of all though, I hope some of these quilts help you to remember those special memories and inspire you to make some new ones.

# 2022 - 2023 THEME QUILTS

## 2022 THEME QUILT: STRING TIME IN THE SMOKIES

String piecing is a patchwork quilt-making technique that is accomplished by sewing multiple fabrics together to create a “strip set” that looks like a portion of a quilt block. The strips can be any color combination, from scrappy to graduated color families. The strips do not need to be uniform width, and the strip set can be cut apart to yield segments that replace two or more pieces of fabric. The quilt must be an interpretation of string quilts and should be recognizable as a string quilt.

The category is split into large and small quilts. The category is split into large (250 inches or larger) and small (249 inches or less) quilts. These categories are exempt from the Quilted by Another restriction. Prizes will be awarded in both the Large and Small Theme Quilt categories.

*Quilt courtesy of Kathie Weatherford*

## 2023 THEME QUILT: TWO BLOCK TANGO

*Quilt courtesy of Judy McIntyre*

This quilt requires two distinct blocks.

The blocks can be arranged in any manner and include any number of each block. Sashings, cornerstones and borders may be added and are exempt from the two block rule.

The category is split into large (250 inches or larger) and small (249 inches or less) quilts. These categories are exempt from the Quilted by Another restriction. Prizes will be awarded in both the Large and Small Theme Quilt categories.

# ONSITE QUILT APPRAISALS

Certified quilt appraiser, **Cynthia (Cindy) Stuart**, will again provide professional quilt appraisals for anyone wishing to have their quilts appraised. Quilt appraisals will be available by appointment only, on June 6-9, 2022.

Cindy is a quilt historian who began quilting in the 1990s and became interested in quilt restoration after repairing a wedding quilt for her mother. In order to restore quilts, one must learn how to date fabrics and use quilting techniques consistent with those used in the past.

Cindy will be providing appraisals by appointment only. To schedule an appointment, please contact Cindy directly by calling (865) 386-0940, or email her at [cynthiakstuart@gmail.com](mailto:cynthiakstuart@gmail.com). Cindy will provide you with all of the necessary paperwork and schedule your appointment.

All appraisals will be conducted in private at the LeConte Center at Pigeon Forge. Please inquire at the Information Desk when you arrive for directions to the appraisal room. If you have not made a prior appointment, but would like to see if Cindy can work you in, contact her directly at the number listed above.

The appraisal fee for **one quilt is \$50**, with each additional quilt appraised by **\$45 each**.

Verbal consultations are **\$20/each**.

- ❖ We'll have yard cuts of 100% cotton designer fabric, fat quarters, notions, magazines, books, patterns, kits, and so much more!!
- ❖ Visit daily so that you don't miss all the newly added products.
- ❖ Let us demo for you new techniques and give you tips on how to get the most out of your fabric using the Accuquilt Go! Cutter.

***First 100 shoppers each day will receive a complimentary goodie bag!***

- ❖ The cutting part of the quilting process is laborious and time consuming. You work hard to get the perfect cut – carefully measuring each piece, and enduring hand, arm and back strain as you cut multiple shapes.
- ❖ Your rotary cutter requires you to pay close attention to the blade and ruler while cutting. Any slips of either can cause inaccurate cuts and wasted fabric.
