

JR's All Star Haircuts for Men

Owner Rick Kingsbury recognized that men's needs and interests in hair care differ greatly from their female counterparts. He wanted to open a shop that catered to these needs...getting in and out quickly without an appointment, having TV's at every station and having the remote right in their hand. He has realized his dream opening JR's All Star Haircuts.

His Thomas Township location is at 7755 Gratiot Road, Suite 2, where he employees five. JR's is open Monday, Tuesday, Wednesday and Friday from 11am to 7 pm. Thursday from 11am to 10 pm, Saturday from 9am to 4pm and Sunday from noon until 4pm. The big screen TV is on, playing the current sports while you wait your turn.

Services offered include men and boys haircuts, beard and mustache trims, eyebrow waxing, men's camo hair colors (5 minute procedure), shaves (facial and head), hair wash and hot facial towel with varsity coach haircuts. Special discounts are offered for Public Safety and Active Duty Military (must show ID) as well as seniors. And don't forget each station is equipped with its own TV so you can tune in to whatever you'd like to watch while you receive your cut.
